A 25 year old man, Bello Muche has been apprehended by the Niger state Police Command for allegedly killing his wife.

Bello who is from Gautan Fadama village, Bagudo Local Government Area of Kebbi State said he warned his wife, Husse Ali to stop sleeping around with other men but she refused.

According to him, he was angry with her disobedience and with anger, he used matchete on her.

“I used matche to kill her for refusing to adhere to my instruction, I told her to desist from sleeping around with other men she disobeyed me and I blew my top and killed her.

“My wife was stubborn, I sat her down and told her the implications of what she was doing, she ignored me and she had to pay the price dearly. “
