The mysterious death of a lady,Obuwe Tega, has become a subject on the lips of her classmates at the Federal Polytechnic, Auchi, Edo State.

The beautiful lady died penultimate Tuesday after complaining of strange movement of an object in her body.

It was learnt that her problem started shortly after she went out with her wealthy older lover.

A source said her tragic death occurred barely two weeks after she celebrated her birthday.

“Her classmates rushed her to a nearby hospital where she was confirmed dead by doctors. Her death is so painful because she was a fun-loving lady who was warm to people around her.”

The source added that Tega has since been buried.
