

Gunmen kill driver in Kano

by **Kolade Adeyemi** March 13, 2019

Four gunmen yesterday in Kano abducted an expatriate engineer at Dangi roundabout.

They killed his driver.

An eyewitness said the incident occurred about 7:40am.

It was learnt that the kidnappers killed the driver before taking the engineer to an unknown destination.

Policemen, who arrived shortly after the incident, have deposited the body in a mortuary.
