

Woman allegedly kills daughter over illness

A 40-YEAR-OLD woman, Mrs. Bello Aina, of Ayase quarters, Arigidi in Akoko Northwest Local Government Area of Ondo State, has allegedly killed her four-year-old daughter, Sadia Bello.

The Nation gathered that the suspect said she killed her daughter because she could not walk after spending a fortune on her at hospitals and spiritual homes.

From Damisi Ojo, Akure

Police sources said the suspect claimed that she was the only one spending money on the deceased, as her husband did not assist her.

The Divisional Police Officer (DPO), Okeagbe Division, Ibitayo Adetanrami, a Superintendent of Police (SP), confirmed the incident, saying the case had been transferred to Akure for further investigations.
