

# Gunmen kill university staff in Calabar

by **Nicholas Kalu, Calabar** June 29, 2019

Unknown gunmen killed a staff of the Cross River University of Technology, Mr Bassey Ekpenyong Inyang, late Thursday evening The Nation gathered on Friday.

It was gathered that Inyang was killed by the gunmen who laid in wait for him just outside his house, along New Airport Road in Calabar-South, as he just came back from church with his wife.

As he drove home it was gathered that the gunmen who were in a nondescript bus, shot him killing him instantly, an eyewitness said.

They snatched the late Inyang's wife phone before escaping.

The reason for the attack could not be ascertained.

Police Public Relations Officer, DSP Irene Ugbo, who confirmed the incident said investigations have been launched into the matter.

The late Bassey was the Chief Architect in the Works and Physical Planning unit of the university.
