A 30-year-old man on Tuesday allegedly stabbed his mother,

Mrs. Grace Anaka, to death at Ifite Oraifite in Ekwusigo Local Government Area of Anambra State.

The suspect, Nwabueze Anaka, said to be a pastor in one of the new generation churches in the area, allegedly committed the crime at the family compound in the early hours of Tuesday.

The Nation gathered that the suspect took to his heels immediately he allegedly killed his mother.

The reason for the dastardly act could not be ascertained last night.

Confirming the incident, police spokesman Haruna Mohammed said the deceased was stabbed with a dagger.

He said the case was being investigated, while efforts were on to arrest the fleeing suspect.
