

In a related development, a family of four parishioners, including a 60 year old grandmother, her two children, and an unidentified female were, yesterday, killed in a fatal accident in Ogwashi-Uku, Aniocha South L.G.A.

It was learnt that the three other victims had broken legs as a result of the accident.

The Nation gathered that the unidentified female is related to the grandmother.

The incident which occurred at about 9.00 am in Obi-Ogbenti quarters involved a Toyota Camry with registration number ASB 635 AH, that was travelling at high speed when the driver plowed into the family who were on their way home after cleaning the church premises of Mary Immaculate Catholic Church.

A source said the family had gone to clean their church in preparation for Sunday service.

A police source said irate youths threatened to burn down the vehicle, adding that the driver has absconded.

Delta Police image maker, DSP Onome Onowakpoyeya, confirmed the death of one person, adding that four victims were being treated at an undisclosed the hospital.
