One person reportedly died and three others hospitalised at the weekend as rainstorm wreaked havoc in Iyede Kingdom, Isoko North council of Delta state.

The rain which lasted over two hours destroyed houses and properties worth millions of naira.

The deceased, identified as master Antilezer Akporobome, 19, was reported to have been playing football with his friends, when they were struck by a thunderbolt. Akporobome died on the spot while three others were hospitalised.
