It was learnt that the containerised truck had a brake failure and in the driver's attempts to avoid crashing into vehicles on its track, it veered into the lane of outbound Lagos traffic, colliding head-on with a Dangote truck and one other in the process.

The Public Relations Officer of the Ogun State Traffic Compliance and Enforcement Corps (TRACE), Babatunde Akinbiyi, who confirmed the accident, said the injured was rescued to the Ota State Hospital while the remains of the dead were taken to Ifo Mortuary – all in Ogun State.
