3 Four killed in Benue cult clash

From Uja Emmamuel, Makurdi

NO fewer than four persons have been killed in a cult clash in Gboko Local Government Area, Benue.

An eyewitness, who pleaded anonymity, said two cult groups clashed over control of the area, resulting in the death of the four persons believed to be members of the rival groups.

Police spokesperson Catherine Anene, who confirmed the killings in a text message yesterday, said three suspects had been arrested in connection with the killings.
