

Driver dies, 14 passengers injured in Osun crash

From Toba Adededeji, Osogbo

ONE person was killed while 14 passengers sustained injuries in multiple accidents in Osun State yesterday morning.

The Nation gathered that the accident, which occurred on Osogbo-Sekona Road in the Oogi area of Ayedaade council, involved a Toyota Corolla car and Mazda bus.

Sector Commander of the Federal Road Safety Corps (FRSC) Paul Okpe blamed the incident on speed violation.

"We suspected speed limit violation and wrong overtaking as possible cause of the accident. The victims were taken to Owode Muslim Hospital while the body was taken by the family of the deceased and drivers union," he said.
