A ghastly automobile accident has claimed the lives of no fewer than five persons in Ilorin, Kwara State capital.

The deceased included a family of four and a student of the University of Ilorin (UNILORIN).

The accident happened on Monday night at the main campus of the institution.

It was gathered that the family of four included a father, mother and their two kids.

President and Public Relations Officer of the Students Union Government (SUG) Opyemi Taofik and Olabode Opeyemi said in a statement: “The unfortunate incident happened as a result of over-speeding of a private car which in turn hit a campus ‘korope’ shuttle bus.
