Three people died yesterday in Girei, headquarters of Girei council of Adamawa State, following a road accident.

The accident occurred at Viniklang Junction, a busy spot on the edge of Girei near Jimeta Bridge that links the town with the capital city, Yola.

Witnesses said a trailer loaded with grains, speeding down the Mubi-Yola Road towards Jimeta Bridge, ran over a pedestrian and two tricycles.

Officials of Federal Road Safety Corps (FRSC) evacuated the bodies to a hospital in Yola, and cleared the road.

There is usually a heavy human and vehicular traffic at the Viniklang Junction.
