

# 'Jealous lover' hacks girlfriend to death in Delta

By Okungbowa Aiwerie, Asaba On Jul 18, 2022

A female student of the Delta State Polytechnic, Ozoro, Isoko North Locak Government Area, has been hacked to death by her lover over allegations of infidelity, *The Nation* has learnt.

It was equally said that the lovers cohabited off campus in a rented room.

The suspect is a graduate of the institution.

Sources said trouble started after the suspect accused the deceased of infidelity on Saturday night and a fight broke out leading to her death. They both have a child together.

The suspect took the body of the lady to the State General Hospital in the morning where she was confirmed dead, it was learnt.

A source, speaking on condition of anonymity, said, “ It happened today (Saturday) at Ozoro. A guy beat his girlfriend to death with a machete.
