A family source, who asked not to be unnamed, said the father of the deceased victims had been arrested while the mother was receiving treatment at an undisclosed hospital.

The source said they were yet to know the actual cause of the deaths, even though they suspected food poisoning or some kind of attack.

Police spkesman William Ovyे Aya confirmed the incident to our correspondent in Lokoja via the telephone.

According to him, the State Police Command was working hard to unravel the cause of the deaths, saying an investigation was ongoing.
