Three persons have been reported dead, while others were injured as a bus ran into another early yesterday.

The accident caused traffic congestion along Mile 12/Ikorodu Road.

Spokesperson of the Lagos State Traffic Management Authority (LASTMA) Adebayo Taofeek urged pedestrians to use of the pedestrian bridges at designated bus stops.

Taofeek said: “The incident is unfortunate. Designated bus stops and pedestrian bridges are constructed for our use. Let me seize this opportunity to advise people to make use of them and stop endangering our lives.”
