Police yesterday confirmed the death of a man simply identified as Kehinde during a marathon sex romp with his girlfriend in a hotel room in Ikere-Ekiti, headquarters of Ikere Council Area of Ekiti State.

It was learnt that the deceased, who was said to be a popular herbalist in the community, had visited the hotel with his female partner.

The identity of the woman was not ascertained at press time but sources said that the woman is the wife of a popular pastor in the area.

One of the sources said, "What I can say is that the man died in the hotel room after having sex with the woman.

“The woman raised the alarm after realising that the man collapsed, the manager of the hotel and some residents raced to the room and immediately rushed the man to a nearby hospital where he was confirmed dead.”

Police spokesman Sunday Abutu confirmed the incident, adding that investigations had commenced on the circumstances leading to the death of the man.

He also said the woman had been arrested.

“Yes, we can confirm the death of the man in one of the hotels at Ikere-Ekiti on Monday. His corpse has been retrieved and deposited at the morgue.

” Let me quickly tell you that the woman in question is with us already as we commence investigations to unravel the cause of the man’s death,” he said.
