

③ Hippopotamus kills expectant mum in Makurdi

From Uja Emmanuel,
Makurdi

T PREGNANT woman has been attacked and killed by a Hippopotamus along the old bridge crossing point of River Benue in Makurdi, Benue State.

There are two bridges on River Benue in Makurdi, the old and the new bridge.

An eyewitness told The Nation that the incident occurred last Tuesday, at the shore of the river when the victim went to the island with other traders to buy vegetables for commercial purposes.
