

Man dies after sex romp with married lover

AFATHER of four children, Chikwado Obiyor, has been reported dead after a sex romp with his married lover, identified as Chidinma.

Naija News learnt that the two lovers were said to have gone to a guest house in the commercial area of Mbieri community, Owerri, the Imo State Capital.

Obiyor slumped and died immediately after the sex romp, while his lover, who is married to another man, fell into a coma.

According to TRIBUNE, the incident happened on Tuesday and resulted in Chidinma being rushed to the hospital for urgent medical attention, where she is yet to regain consciousness.

The duo were said to be in an amorous relationship, and Chidinma is still living with her husband at Umuchoke Obazu with two children.

A leader of the community, Nokey Ebikam, condemned the development and advised married women to be very careful.

He said: "Be careful, married women. It happened in Mbieri just yesterday."
