

3 Suspected drug addict strangles mother to death in Ogun

A 32-YEAR-OLD suspected drug addict, Samson Sikiru, has strangled his mother to death in the Ijebu Ode area of Ogun State.

Spokesperson for Ogun Police Command, Omotola Odutola confirmed the incident, adding that it occurred at the Itanrin area of Ijebu Ode.

Odutola said the suspect was a neuropsychiatric patient, adding that his family members occasionally tied him up to avoid him injuring himself or anyone.

"He had remained with his mother whom he visited during the Sallah celebrations, even though he is known for his retard tendency, but his condition was being managed to the best of the knowledge of his mother.

"It is not yet clear if there was any provocation by his mother, but preliminary investigation revealed that earlier the same day he was tied up in the house, only for him to lose himself and descended on his mother and strangled her..."
