The FRSC spokesperson explained further that the accident was caused by excessive speeding which caused the bus driver to ram into a stationary truck parked by the roadside.

“Fifteen people were involved in the crash – 10 men and five women and a total of 13 people sustained injuries while two persons died,” she said.

Okpe added that the injured victims were taken to Hope Hospital at J4 while the deceased were deposited at the Ijebu-Ode General Hospital Morgue.

Mr Anthony Uga, the Sector Commander, cautioned motorists against the wrong parking of vehicles on the highway.

Uga further cautioned motorists against overspeeding and advised them to always drive carefully.
