

# Two construction workers die inside well

**T**WO construction workers died yesterday inside a well in Ile-Ife.

*The Nation* gathered that the incident occurred at 1:16pm opposite Ilesa Motor Park along Ife/Ilesa Road when one of the construction workers was fetching water.

An eyewitness explained: "One of the workers was fetching water but he fell into the well, while attempting to retrieve it, the second man was trapped.

"The co-worker, who at-

tempted to rescue him, was also trapped in the well. They were engaged from Iwo town to work on the site."

Spokesperson of Nigerian Security and Civil Defence Corps (NSCDC), Osun State Command, Mrs Kehinde Adeleke, confirmed the incident.

She added that the bodies of the two workmen were retrieved by NSCDAC's operatives and men of the Federal Fire Service.
