

3 NAF airstrikes destroy illegal oil refining sites

- Kill nine suspected terrorists eliminate terrorists

THE Nigerian Air Force (NAF) says it has destroyed several illegal oil refining sites in Rivers State and eliminated scores of terrorists in Niger in recent coordinated air strikes.

This is contained in a statement by the Director, Public Relations and Information, AVM Edward Gabkwet, on Sunday in Abuja.

Gabkwet said as the activities of oil thieves and economic saboteurs had become sophisticated, so also the NAF and other security agencies re-strategise to checkmate their activities and be ahead of their game. He said the oil thieves had in most cases continued to find new ways of concealing their overhead tanks used in storing stolen crude oil products from busted pipelines in the Niger-Delta region.

According to him, they also continued to infuse the use of fast speed boats to convey their stolen goods.
