# Husband stabs Osun Bishop to death over suspicion of sleeping with estranged wife

*Bishop of Rapture Empowerment International, Dr Sina Olaribigbe*

The presiding Bishop of Rapture Empowerment International, Dr Sina Olaribigbe, has been stabbed to death over suspicion of sleeping with a married woman.

The Nation gathered that the incident occurred yesterday at BCGA area behind Olorunda Local Government Secretariat, Osogbo, Osun State.

A source said the couple had been having misunderstanding in their marriage, which led them to be living separately.

However, Bishop Olaribigbe had been involved in ensuring that peace reigned in the union before they started living separately.

It was gathered that the Bishop was on the bed of the wife of an aggrieved husband and the compromising position led to stabbing of the cleric to death.

Public Relations Officer, Osun State Police Command, Yemisi Opalola confirmed the incident.

She said: “Olaribigbe used to settle fights between the couple. We were told the pastor was at the wife’s place when the estranged husband got there. He stabbed the pastor, he was on the wife’s bed when the incident happened. The husband stabbed him several times and he died. It was learnt the husband acted on the suspicion that the past or was sleeping with the woman.”
