

Five die, 15 injured in Ogun Expressway, Ondo crashes

The **Ogun Traffic Compliance and Enforcement Corps (TRACE)** says three people have died while six others were injured in an accident which involved five vehicles on the Lagos-Abeokuta Expressway.

TRACE Southwest Area Commander, Mr Adekunle Ajibade, who confirmed the incident to the News Agency of Nigeria (NAN) yesterday in Ota, said the accident happened about 7.45 a.m.

Ajibade explained that a cement truck, with no registration number heading to Tollgate from Sango-Ota, was on top speed when it had brake failure and rammed into four vehicles.

According to him, the six survivors sustained injuries in the accident.

“The bodies of the victims have been deposited at Ifo General Hospital, Ogun, while the survivors are also receiving treatment in the same hospital.
