

ANPP/DDP clash: Police arrest 6 in ANPP/DPP fracas

ZAMFARA police command has arrested six persons in connection with the Saturday's clash between supporters of ANPP and DPP in Kauran Namoda Local Government Area.

The command's public relations officer, ASP Lawal Abdullahi told the News Agency of Nigeria (NAN) in Gusau that the police officer (name withheld) who shot and killed a teenager during the incident had also been apprehended.

He explained that the command had already commenced investigation to find out the actual cause of the clash and reasons why the police officer shot and killed the boy during the incident.

The police spokesman said if the shooting was not in line with order 237, the officer involved would be dealt with accordingly in order to serve as deterrent to others.

He appealed to the people of the area to be law abiding as adequate security measures had been taken to deal ruthlessly with any person or group of persons that might cause trouble in the town.
