

Police kill 2 suspected robbers, arrest 2 others

THE Delta Police Command at the weekend in Asaba has said that two armed robbery suspects

were shot dead and two others arrested last week in the state.

A statement, signed by the Assistant Commissioner of Police, Mr. Anthony Michael, said a policeman was killed on duty during the period.

The statement said that a double barrel gun and three live cartridges were recovered from the suspects.

The Command's spokesman, Mr. Banawi Ishaku, however, told the News Agency of Nigeria (NAN) that the crime wave in the state had reduced in the past weeks.

Ishaku appealed to residents to furnish the Police necessary information that could lead to the arrest of criminals.

He warned that the police would not hesitate to deal with anyone, who engaged in any form of violence during the forthcoming local government elections in the state.
