THE Vice Chancellor of Kebbi State University of Science and Technology Aliero, Professor Mohammed Abubakar Ka'oje has killed one out of five armed robbers who attacked his residence at Gwadangaji Quarters in the state capital Birnin Kebbi.

Narrating his ordeal to newsmen yesterday, Professor

Ka'oje said the five robbers attacked his house in the early hours of Monday this week and demanded for money from him.

He said "after their demand, I then asked them to wait for me, I went back into my house and took a gun, came out and shot one of them."

He added that after I shot one of them, then they later took the corpse and ran away.

Furthermore, he said, he then rang the state Commissioner of Police, Alhaji Mukthari Ibrahim and told him about the incident which he immediately responded together with some officers of his command.

When contacted, the state Commissioner of Police had confirmed the incidence and assured that investigation was ongoing into the case.
