

15 persons including baby die in auto crash

From *HABIBU UMAR*
AMINU, Lafia

FIFTEEN persons and a baby lost their lives in a ghastly motor accident along Akwanga – Keffi road. They were all roasted to death beyond recognition.

The accident which occurred in the morning was as a result of a head on collision between a Hiace Toyota bus and a Toyota Carina II which

were all full to capacity.

When *New Nigerian* got to the scene of the accident, men of the Federal Road Safety Commission (FRSC) and Civil Defense were seen putting off the fire and gathering the burnt flesh of the passengers

The Toyota Hiace bus with the registration number XA 797 GRM collided head to head with Carina II with the registration number 952

LFA while they were trying to avoid a motorcyclist who besieged the centre of the road.

An eye witness, who happen to be by the road when the unfortunate incident occurred said immediately the two cars collided they burst into flames.

Speaking to newsmen at the scene of the accident, the state Sector Commander, Mrs. Ajenge said the accident

happened was a result of over speeding and dangerous driving.

She advised motorists to always observe road signs and avoid over speeding while travelling as that is one of the way to avoid fatal accidents on our roads

The remains of the victims however were deposited at Federal Medical Centre, Keffi.
