## Gunmen attack conduct tribunal chairman's convoy

THE convoy of the chairman of the Code of Conduct Tribunal, Justice Danladi Umar, was on Friday attacked by gunmen on the Keffi-Gitata Road in Nasarawa State.

This is contained in a statement issued in Abuja by Mr Ibrahim Al-hassan, Head of Press and Public Relations of the tribunal.

Al-hassan said that security personnel attached to the chairman engaged the gunmen in an exchange of gun fire, which led to the death of one of the bandits.

He said that some of the bandits, who sustained injuries, ran into the bush.

Al-hassan said the chairman and members of his entourage, who were on their way to Bauchi for an official assignment, did not record any casualty.
