The police in Enugu State have nabbed four ritual suspects for abducting, beheading and cutting the private parts of a five-year-old boy before dumping him in water tank.

This arrest was contained in a statement signed by Mr Ebere Amaraizu, the Police Public Relations Officer, in Enugu on Friday.

Amaraizu said the victim, Promise Osakwe, was abducted by unknown persons at his home town in Aninri on October 11.

The deceased's body was later found in water tank, without the head and private parts.

The suspects from Aninri Local Government Area of Enugu State were nabbed in connection with the crime.
