A 47-year-old man, Gbenga Ogunfolabo, has been arrested by police detectives attached to Isara Division police station for allegedly stabbing his wife, Bosede Ogunfolabo, 45, to death with broken bottle.

The incident was said to have occurred as a result of a fight between the couple on July 16, at their residence.

A statement issued by the Police Public Relations Officer (PPRO), Olumuyiwa Adejobi, said the families of the couple wanted to cover up the incident, but the matter was later reported to the police by a relation of the deceased.

Ogunfolabo, a farmer and father of six, was later arrested by the police for thorough investigation.

Adejobi said the state Commissioner of Police, CP Ikemefuna, had directed that the matter be transferred to the Department of Criminal Investigation, Elewera, Abeokuta, for discreet investigation.
