FIVE police officers from the Imo State Police Command are now in the police cell for allegedly beating a father of three, Basil Iwuajoku, to death.

The incident happened at a location very close to the Imo State University Gate, Owerri.

The deceased, who is a member of the Imo State University Star Shuttle Bus, the Nigerian Tribune gathered, reported to their park on Wednesday, July 23, 2014 for work.

The coordinator of the park, Mathew Njoku, said a burnt vehicle very close to the park was the cause of the problem.

When contacted, the command image maker, Mr Andrew Enwerem, confirmed the story but said the policemen involved were in the cell while investigation is ongoing, adding that they would face the music if found guilty by the court.
