THE Niger State Operations Office of the National Emergency Management Agency (NEMA) has confirmed two people dead, as 12 others were injured in an auto crash involving two commercial vehicles on Minna- Suleja highways on Saturday.

The Assistant Zonal Coordinator of Niger and Kwara states, Mr Musa Abdulrazaq, confirmed the incident to the Nigerian Tribune in an interview on Monday at the state office of the agency at NITECO road, Tunga Low cost, Minna.

Abdulrazaq stated that the accident occurred following a head on collision between the two commercial vehicles: a Sharon Space Bus marked MKR 204XA and an Opel Vectra marked FP219 ABJ, adding that the latter loaded at Suleja and headed towards Minna, while the former might have loaded from Kaduna and headed towards Minna as at the time of the accident.

He noted that the two passengers that died were relations and were on their way to Minna to attend a wedding ceremony.

Abdulrazaq, however, stated that the Minna Operations Office of NEMA were involved in the rescue operation in collaboration with policemen and some personnel of the state's Sector Command of the Federal Road Safety Commission (FRSC).
