An Assistant Superintendent of Police (ASP) attached to the Delta State Police Command and Head of the Traffic Warden Section at the “A” Division Police Headquarters, Warri, simply identified as Mr. Keiser, died on Monday allegedly after a marathon sex escapade with a lover girl at his Barrack residence.

Police sources told Daily Independent that the ASP died with his tongue protruding out of his mouth, suggesting that he died of the traditional African charm called “Magun”.

Keiser whose is based at the village was said to have been billed to retire in a few months time before he died.

His lover who absconded with only her panties on was said to have raised the alarm before other women around the barrack scene whisked her away.

*Daily Independent* saw the late Police officers’ kinsmen

of Ijaw extraction and some police officers under his supervision at the station wearing long faces and discussing the issue in hush tones, but one of the officers disclosed that Keiser died suddenly without any sign of illness.

The body of late policeman has since been deposited at the Warri Central Hospital morgue while the lover girl is still at large.

In another development, a Warri-based businessman in his late 50s has committed suicide on Tuesday by hanging himself at home around the Odion road area of Warri.

The man simply identified as Mr. Fregene was until his death a business mogul with chains of business outfits along the ever busy market road in Warri.

Sources revealed that he left no suicide note as to why he hung himself even as officials of two banks in Warri are said to have paid a condolence visit to the family members.

Fregene has since been buried at the Warri cemetery.
