## Accident claims 1, 2 others injured

CELESTINE IHEJIRIKA - UMUAHIA

ONE person died on the spot while two others were injured when a trailer with registration number GW 472 XF, involved in an accident in Ubakala, Umuhia South Local Government Area of Abia State, along Enugu-Port Harcourt Express way.

The two survivors were helped by the Abia State governor, Dr Okezie Ikpeazu, who was going to Aba on an inspection tour and directed his convoy to stop and ordered a caterpillar driver working on the Enugu-Port Harcourt Express way to push the wreckage of the trailer to enable them to rescue the two survivors and directed the driver of the Government House ambulance in his convoy to take the two survivors to the hospital.

The cause of the accident was not known as at press time, but an eye witness, who witnessed it, disclosed that the driver of the trailer oversped.
