THE Oyo State police command has apprehended four suspected ritualists, who were caught with human flesh at Owode area of Oyo town, Oyo State, on Monday, September 14.

Disclosing this during a press briefing, held at the police headquarters, Eleyele, Ibadan, on Tuesday, the state Commissioner of Police, Mr Leye Oyebade, said the suspects were arrested when police detectives raided a black spot in the town, after receiving information that criminals usually gathered there.

He gave the names of the suspects as Adewole Elijah, Adeyanju Adeniyi, Oluwatosin Odetunde and Odetunde

Jacob.

He said when they were arrested, pieces of decomposing flesh suspected to belong to a human being were found in their possession.

The Police Commissioner also spoke on the arrest of four suspected fraudsters who are members of the same family by the command's monitoring unit which worked on a petition written by a petitioner (names withheld), that the syndicate had hypnotised her and duped her of N1.225 million.

The suspects were Afolabi Adebawale (65), Kunle Adebawale (46), Ajibade Adebawale (36) and Bode Adebawale (32), while fake pound sterling and US dollars worth millions were also recovered from them.
