## 2 killed in renewed cult clash in Kwara

BIOLA AZEEZ - ILORIN

TWO persons have been re-  
portedly killed in Ilorin, the  
Kwara State capital, by sus-  
pected cultists at different  
locations in a renewed cult  
crisis.

*Nigerian Tribune* gath-

ered that one of the victims  
was murdered at Balogun  
Fulani junction in the town  
on Sunday night, while the  
other was killed at Tanke area  
on Monday, as the suspected  
cultists shot sporadically into  
the air to scare residents.

According to an eyewit-

ness, the suspected cultists  
used motorcycles to perpe-  
trate the act during the two  
operations.

When contacted, the  
spokesperson of the police  
in the state, Ajayi Okasan-  
mi, confirmed the incident  
at Balogun Fulani, stress-

ing that he was yet to be in-  
formed about that of Tanke  
area.

He, however, assured that  
the command had mapped  
out strategies to curtail the  
killings, while assuring resi-  
dents to go about their law-  
ful businesses peacefully.
