The Chairman of the Petroleum Tanker Drivers, Kaduna unit, Comrade Musa Dan'azumi, has said that one of the drivers of the unit has been killed while nine trucks carrying Premium Motor Spirit (petrol), have also been missing following incessant attack on along the Buruku/Birnin Gwari highway in Kaduna State in the last few weeks.

He made this known in an interview in Kaduna at the weekend.

The unit's members have become target of attacks by armed bandits who usually barricade the Buruku/Birnin Gwari highway, beat their drivers and take their trucks.

"This new method by these hoodlums is disturbing and causing us sleepless nights," he said.

According to him, the leadership of PTD had lodged a report to the police, adding that "the commissioner of police has been very co-operating. "Recently, we held a meeting with the CP and he assured me that the perpetrators would be apprehended."
