## ROBBERS KILL COMMERCIAL DRIVER, PASSENGERS INJURED

JULY 12, 2016 / BY: HAKEEM GBADAMOSI - AKURE

0

Armed men suspected to be armed robbers, on Monday night, shot dead a commercial driver along Akure/Ilesa expressway, leaving several others injured.

The driver, identified as Muritala, was said to have given up immediately he was shot by the armed robbers while he lost control of the vehicle.

According to a source, the armed men stopped Muritala who was driving at top speed along the Akure/ Ilesa highway, but refused to stop and the robbers shot at his Toyota Hiace and he was hit in the process.

He said that the driver swerved off the road into the bush, injuring all the passengers in the bus, saying the driver died before any help could reach him.

He said some police officers monitoring the highway, who eventually arrived at the scene of the incident, pursued the armed bandits but said the robbers escaped.

It was gathered that members of vigilante group from the area mobilised themselves to the scene of the incident, but they failed in their bid to find the armed robbers who were said to have ran into the bush after shooting.

[See Cars For The Family](#) [HERE](#)

Some members of the National Union of Road Transport Workers (NURTW), who besieged the scene of the accident, took some injured passengers to the nearest hospital while the remains of the driver were deposited at the morgue.

An advertisement for Xoom, a PayPal service. The background is a solid blue color. At the top, the word "xoom" is written in a large, white, lowercase sans-serif font. Below it, the text "A PayPal Service" is written in a smaller, white, italicized sans-serif font. In the center, the text "Send money to Nigeria right from your phone!" is written in a white, bold, sans-serif font. Below this, the price "\$4.99" is displayed in a very large, white, bold font, with the word "FEE" in a smaller, white, bold font to its right. To the left of the price, there is a white icon consisting of three horizontal bars and a square containing a dollar sign. To the right of the price, there is a white line drawing of a smartphone. The screen of the phone shows the Xoom app interface, which includes a large white shield with a black outline, flanked by two white horses. Below the shield, the text "Cost Of Arms" is written in a small, white, sans-serif font. At the bottom of the advertisement, there is a white rectangular button with rounded corners that contains the text "Send Money Now" in a bold, black, sans-serif font. Below the button, the text "Restrictions apply." is written in a small, white, sans-serif font.
