Ademola Olarape, a 24- year old barber has allegedly been shot dead by suspected cultists around

Metro gathered that the deceased had on Wednesday gone to work as usual at its barber's shop when members invaded the area and shot him dead.

The suspected cultists were said to have gone on rampage around the palace immediately after they attacking some residents of the area.

Dolapo Badmos, police image maker in Lagos, while confirming the incident said it occurred Wednesday. The incident was reported at Ijeda Police division.

According to Badmos, the police received a distress call from one Sunday Olaifa that his brother who was running a barbing saloon has been shot dead by unknown assailants.

A combined team of operatives from area N and Ijeda Police station were drafted to the scene of the
