

# Windstorm kills 3, destroys 139 houses in Sokoto — NEMA

THREE persons were killed on Monday when windstorm ravaged some communities in Shagari Local Government Area of Sokoto State.

The National Emergency Management Agency (NEMA) disclosed this in Sokoto on Thursday via a statement issued by Mr Sulaiman Muhammad, the head of its Sokoto Zonal Operations Office.

The statement said that the windstorm also destroyed 46 houses and injured one person in the same local government area.

Similarly, windstorm damaged 93 houses in Tambuwal

Local Government Area of the state.

The statement said that no death was recorded in the incident but four persons were injured.

“Over 1,000 households were affected in the two local government area, with Jabo town and Tambuwal Local Government Area being the worse hit.

“The agency had since assessed the extent of damage caused by the disasters and arrangements are being made to donate relief materials to the victims,” Muhammad was quoted as saying in the statement.
