In his own remarks on the current state of the party, AlaoAkala said he had offered himself to Ajimobi to lead the cause of reconciling all members of the party.

This was as the Unity Forum elected 33 other state officers at its congress held at the main bowl of the Obafemi Awolowo Stadium, Ibadan.

Addressing the gathering, the Senator representing Oyo Central Senatorial District, Hadjia Monsurat Sunmonu stated that gathering was not out of enmity but to ensure internal democracy within the ranks of the party, while the Minister of Communications, Alhaji Adebayo Shittu, said: "We are here to liberate ourselves, to free ourselves from limitations, to free ourselves from people who don't believe in conducting primaries, but we are here to do it legally and for the progress of our party and for the progress of the masses generally.

"We need to do things in a democratic process and not as if we are under a tyranny leadership. The party in the state will remain solid and positioned for the forthcoming elections."

APC leaders at the congress included Dr Busari Adebisi, Professor Adeolu Akande, Dr Ismail Adebayo Adewusi, Shittu, Alhaji Tijani Balogun, Alhaji Fatai Ibikunle, Dr Yunus Akintunde, Honourable Bosun Oladele, Honourable Sunday Adepoju and Honourable Adedapo Lam Adesina, among others.

It took the combined efforts of security agents in the state to continue the congress, which was characterised by physical assault from some aggrieved party supporters.

Reports from the state indicated that the APC officials in the state were returned to their various positions unopposed, as consensus option was eventually adopted, with a former speaker of the Jigawa State House of Assembly, Hon. Idris Garba appointed as the chairman of the party.

Speaking shortly after the swearing in of the 36 APC state excos members, Badaru Governor Mohammed Badaru Abubakar cautioned opposition parties in the state to imbibe the culture of constructive criticism, saying no amount of intimidation or blackmail could deter him from executing projects that have direct impact on the state citizens.
