# OAU loses student, VC condoles with parents

AUTHORITIES of the Obafemi Awolowo University (OAU), Ile-Ife, have condoled with the parents and family members of a part three student of the Department of Accounting of the university, Abiodun Babalola, who died as a result of injuries he sustained during an attack on the Adam and Eve, an out of campus students residential hostel, on Parakin-Ede road axis of Ile Ife.

A release by the Public Relations Officer of the university, Abiodun Olarewaju, stated that the students were attacked in the wee hours of Sunday

with weapons by some unknown persons who inflicted varying degrees of injuries on them before carting away their money, phones and other valuables.

Expressing agony at the loss of a student, the Vice Chancellor, Professor Eyi-tope Ogunbodede, wondered what sort of earthly possession would make a man to attack, maim and kill his fellowman.

He, thereafter, on behalf of the council, Senate, staff, students and the entire university community, prayed God to give the family of the deceased the fortitude to bear the loss.
