Osun: 18 die in 28 auto crashes in December — FRSC

FEDERAL Road Safety Corps (FRSC) in Osun State on Wednesday, said 18 persons died in various road accidents in December 2018.

The FRSC Sector Commander in the state, Mr Peter Oke, told the *News Agency of Nigeria (NAN)* in Osogbo, the state capital that the accidents were caused by excessive speeding, wrongful overtaking and carelessness of many drivers.

"The total numbers of road traffic accidents in December 2018 was 28,

and they led to the death of 18 persons.

"The remaining 10 persons sustained various degrees of injuries in the accidents within the state," he said.

He also stated that 773 road traffic offenders were apprehended, while 268 were educated and cautioned on the sensitivity of road driving.

Oke urged motorists to desist from defying road traffic regulations, adding that the command would not spare any person caught flouting the law.
