rustling.”

According to him, they went to the village following information that a boy was in possession of a potent charm against bullets.

“We were told his charm is good. People have used the charm and they claimed it has worked for them.

“As members of the vigilante, we felt we need it to protect ourselves against incessant cases of banditry, kidnapping and

He said it was when they were coming back that the accident occurred when the driver of the vehicle dozed off and they suddenly found themselves inside a big ditch.

The Chairman of Funtua Local Government Area, Malam Lawal Sani has said the 19 vigilante members who died on along Funtua/ Daudawa road on their way back from Zamfara State will be convey to their local government area of Niger state for burial.

This was even as he said the council will equally foot the medical bills of all the 38 injured now receiving treatment in Funtua General hospital.

Usman, who is responding to treatment at the hospital, thanked the local government chairman for his kind gesture, praying to God to reward him and his team abundantly.
