THERE was panic around the popular Ketere Market at Sango Ota area of Ogun State, on Tuesday, as a prostitute allegedly stabbed her customer to death at Duru Hotel. The prostitute, identified sim-

ply as Cynthia and the owner of the brothel, Nnamdi Duru have been arrested by police detectives from Sango police station.

The deceased, yet to be identified, was reportedly at the hotel to have sexual intercourse with Cynthia when the incident occurred.

Nigerian Tribune gathered

that trouble started between Cynthia and the deceased when the male condom they were using ruptured.

An eyewitness who identified himself as Saeed, while speaking with the Nigerian Tribune, said that trouble started when the lady insisted that the deceased must add to the earlier agreed fee.

He spoke further: "We just heard noise from Cynthia's room and when people got there, the man was lying in a pool of his blood.

"What happened was that the condom burst while they were having sexual intercourse and the man ejaculated into her.

"The lady was angry and

she insisted that the man must add more money but the man insisted that it was not his fault that the condom burst."

An argument was said to have ensued between the two of them, resulting in Cynthia stabbing the man to death with a broken bottle.

A senior police source at

the Sango police station confirmed the incident to the Nigerian Tribune, adding that the sex worker had been arrested.

The police officer said "the lady has been arrested, and the owner of the brothel is still being interrogated by the police."
