THREE intending members of the National Youth Service Corps (NYSC) believed to be from the Federal Polytechnic, Offa, Kwara State, were killed in a road accident on Kano Road on Thursday evening.

The Public Relations Officer of the institution, Mr Yinka Iroye, said the young graduates were heading to Katsina State for their NYSC programme when the 18-seater bus conveying them was involved in the accident.

Iroye, who could not confirm the identities of the victims to Saturday Tribune on Friday afternoon, said two of the deceased hailed from Iwo, Osun State.

It will be recalled that two graduates of the Kwara State Polytechnic going for their NYSC programme died in a road accident in Niger State a few weeks ago.

Also speaking, Dean, Students' Affairs, Federal Polytechnic, Offa, Aleminu Gbenga, confirmed that the bus involved was an 18-seater bus that took off from Offa with six passengers, three of whom were graduates of the institution.

The accident was said to have claimed about 16 lives, including the graduates'.

The Dean Students' Affairs of the institution also said the school had made arrangement to get the deceased students for burial, adding that their parents insisted on seeing them before burial.
