18-yr-old stabbed to death by friend over hard drugs in Kano

AN 18-year-old boy identified as Musa Muhammed was on Wednesday stabbed to death with a pair scissors by his friend over dispute arising from

the purchase of hard drugs in Danstinke area of Tarauni Local Government Area of Kano State. It was gathered that trouble started when the suspect, 23-year-old Aminu Torres, sent Musa to buy

him some hard drugs.

It was learnt that instead of procuring the hard drugs, Musa used the money for another purpose, a development that angered Torres.

This then led to a fight

between the two and it was alleged that Torres used a pair scissors to stab Musa in the neck, thereby leading to his death.

A member of the vigilance group in the area, Jafar Abdulkadir Yusuf, who

confirmed the development to newsmen said the culprit had been arrested.

However, the state Police Public Relations Officer (PPRO), DSP Abdullahi Haruna, said he was not aware of the incident.
