A yet-to-be-identified gunman has killed a popular barber in Sapele, Delta State

The deceased, Adams Amakel Eguvwese, was reportedly shot dead while in front of his shop.

Eguvwese (42), popularly known by his salon's name, '10 over 10,' located along New Road by Otite road junction in Sapele, was shot dead at about 5:45 p.m on Tuesday.

It was gathered that the killer, armed with a shotgun, came in a blue Toyota Corolla car without registra-

tion number.

The man reportedly alighted from the car, approached the barber and shot him, and while the barber ran into his shop, the gunman followed him and shot him again. He then reportedly waited to be sure the barber was dead before he fled in his car.

Eguvwese was said to have been rushed to the Sapele Central Hospital where he gave up the ghost.

When contacted, the state Police Public Relations Officer (PPRO), Onome Onovwakpoyeya, said: "Yes, the police are aware and investigation is currently ongoing."
